

Visiting Guidelines: School Groups

Welcome to The University of Queensland Art Museum! We're so glad you'll be exploring our exhibitions.

To ensure you have a smooth visit, please note the following:

We are here to chat

When you arrive, you'll be greeted by our friendly Mediators who will share helpful information about your visit. You'll also see our Mediators in our exhibition spaces; they'll be free to chat about our exhibitions, answer (and ask!) questions, and help you with anything you need during your visit. Our Mediators are UQ Students from different disciplines and are also happy to answer questions about their experiences as UQ students.

Cloak your bags at the front desk

Please **check-in your bags at the front desk** on arrival. Our team will keep them in a safe place while you explore our exhibitions. You can take personal items (phones, notebook and pencil, wallets, etc.) with you if you wish.

No food or drinks in galleries

Food and drinks don't get along with artworks, so we ask that you **don't take food and drinks into the galleries**. If you need a snack or drink break, you are welcome to do so in our spacious Foyer at the Art Museum entrance.

No pens (pencils only) in galleries

Pens also don't get along with artworks so **you can't take pens into the galleries**. We know you may like to take notes or draw in your journals though so you **can use pencils** in the galleries. We have spare pencils at the front desk if you've forgotten yours.

Interacting with artworks

Artworks should not be touched (the oils in our hands alone can do a lot of damage!). Sometimes we do have interactive artworks. Our Mediators will let you know if there are any artworks you can touch when you arrive, but generally we have a 'no touch' rule.

Accessibility

We are dedicated to fostering a safe and inclusive space for everyone. Visit our [website for accessibility information](#). If you don't see the information you need or have any questions, please contact our team via phone: (07) 3365 3046 or [email us](#), as we'll be very happy to assist. If you prefer, you could ask a teacher or carer to contact us on your behalf.
