Transport to St Lucia

- Paid parking is available (with capped daily rates).
- Information for people with a [Persons With Disability parking permit](#)
- Parking is available on University Drive and Campbell Road (including disability parking), but it fills up quickly. We recommend parking at **98C (P8 Playing Field 8 Carpark)**. It's a **5-minute walk** to the workshop venue.
- You can get public transport to campus. Use [Translink](#) to find your best travel options.
- The closest ferry stop is the UQ St Lucia ferry terminal ([11-minute walk to the event space](#)).
- The closest bus stations are UQ Chancellors Place ([6-minute walk to the event space](#)) and the UQ Lakes station ([8-minute walk to the event space](#)).
- There is a Taxi Rank on University Drive.
- Prepare for your visit by [planning your travel to St Lucia](#) and by checking out [UQ Maps](#) and the [St Lucia accessibility map](#).

Location | Building

- Location: Room 217 in the [Sir Llew Edwards Building](#) (Building 14). See map on the next page.
- [UQ Maps](#) is a useful app and website to assist with wayfinding on UQ Campus.
- From University Drive you can enter the Sir Llew Edwards Building (pictured), through glass sliding doors.
- The room is located on level 2 (which is the level you enter on).

Location | Room

When you enter through the glass sliding doors this will be your view:

When looking for the room the door will have the room number written on it like this:

Venue Information

- The venue is an indoor setting with access to green spaces close by.
- The room has fluorescent lighting and windows to allow for natural light. There are blinds in the room that can also be used.
- This room is a space on campus so at times you may hear footsteps, typing sounds and people chatting.
- The room is airconditioned so if you feel the cold we recommend bringing a light jacket or jumper.
- The seating available are backed chairs on wheels with no padding or cushioning. Additional seating options including beanbags will be available.
- A quiet room will be available from 12pm to 4pm. If you require a space outside prior to 12pm, please let a staff member know and they will assist you.
- UQ St Lucia is a smoke free campus.

The workshop

- Please arrive at 9.30am for a 10am start. This gives you some time to find your way, get comfortable, settled and have a warm beverage on arrival.
- Jon and Fayen from Access Lab & Library are working on a more detailed schedule for the day. We anticipate that this will be ready to share 2 days prior to the event.
- We have a photographer coming to document the program. This will happen in the afternoon. If you don't wish to be photographed, or have any questions, please let me know. You can also let us know on the day if you have any concerns.
- You will be welcomed to participate in this workshop in the ways that are most comfortable for you, including taking unscheduled breaks and moving your body as needed.

Health and Safety

- Hand sanitiser and masks will be available, and a [HEPA air filter](#) will be in use throughout the workshop.
- If you're feeling unwell or have any flu-like symptoms, please let us know by emailing Tallara at tallara.gray@uq.edu.au, and take care by staying home.
- COVID tests are available if you begin to feel unwell during the day. Please let staff know if you need assistance.
- The safety and wellbeing of our guests is a priority at the UQ Art Museum. Artworks and programs may address difficult and important issues and sometimes contain challenging or upsetting content. If you need support at any time during this program, please let us know.

Food and Drinks

- Water will be available throughout the event. You are welcome to bring a water bottle.
- Refreshments will be provided during morning and afternoon breaks.
- Breaks will take place either in or close to the venue in the adjacent outdoor area.
- Lunch will be catered according to the dietaries that were listed in EOIs.
